To whomever This may concern.

I really was Afraid To even send This off To You. I Am An Informant & The Case Is Still Pending. However, This Is Not Part of The lawsuit But I Am Afraid of A counter sue Because I've Been An Informant Since 2012 & These recent Ideas I've Given The WWE Was Just over 8 years Ago. I gave The WWE Ideas while Intoxicated I was Drugged 5 Times with A Span of 2 Days with Heroin & Truth Serum "As Punishment" For Being A Informant. Not only Do I not remember every Idea But I Do remember Being ASKed what I was going To Do with MY Earning; Vince saw It AS competition & He got so desperate Vince went from "Oh I see How she Talks About You" He was Talking About His Daughter- To "I'll Talk To Her About Doing some Kind of Sexual Activity with you if you Sign with The WWE". I Am Paraphrasing. To even saying He would Talk with Personal & even wrestlers To Doing The same Thing with me if I signed with His company with MY Dream Idea AS what He Is calling "TIKO" was Not Part of our Exchange of Ideas. This was MY Idea "PIE" This Is what I Do Not Want Anything To Do with The WWE- only MY Payment. I did Give Them the option To Do one Event. I do Request That This & The messages Between Vince & Daniel & Sasha To be Investigated- AS well AS MY Ideas Because He tried Altering MY Ideas & Also tried To Pay me for one Idea for All of Them. I Am Not ASKING for Any Favors, Just What IS fair & Accurate for every Idea which IS Half. An even 50-50 Split, Also Please Remember The Case IS still Pending. MY Phone IS off AS I Am unemployed Since March But Am Putting In APPLS AS well Fighting for my old Job Back &
